# THE POSTMARK COMMERCIAL UNIT BRANDING UNITS A1-A4

# LOCATION OVERVIEW PHASE 1 & 2 - UNITS A1, A2, A3 & A4

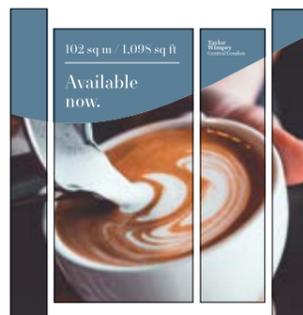

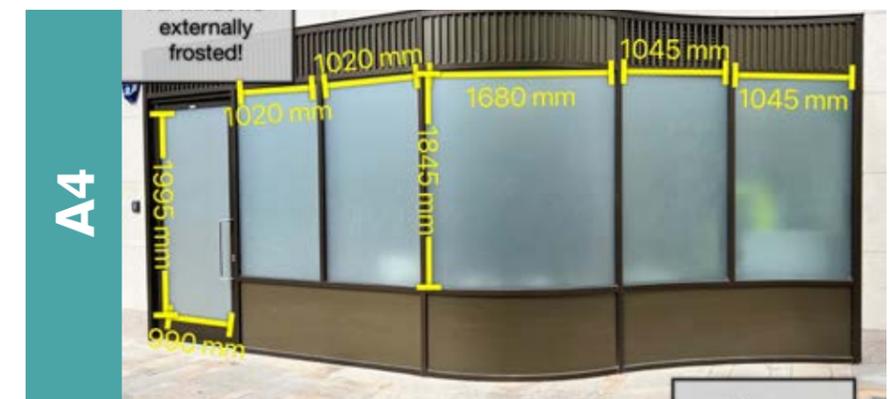

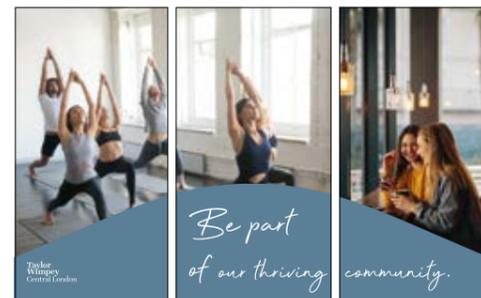

This document outlines a proposal to replace the existing frosted vinyl applied to the glazing of the commercial units, with new printed vinyl consisting of imagery and text.

Included in the document are the dimensions of each glazing pane, however due to the varied nature of the glazing, there is not one consistent height from the floor level to the underside of the advertisements. However, it is estimated to vary in height in the range of 100mm to 500mm.

All of the commercial units are on the ground floor.

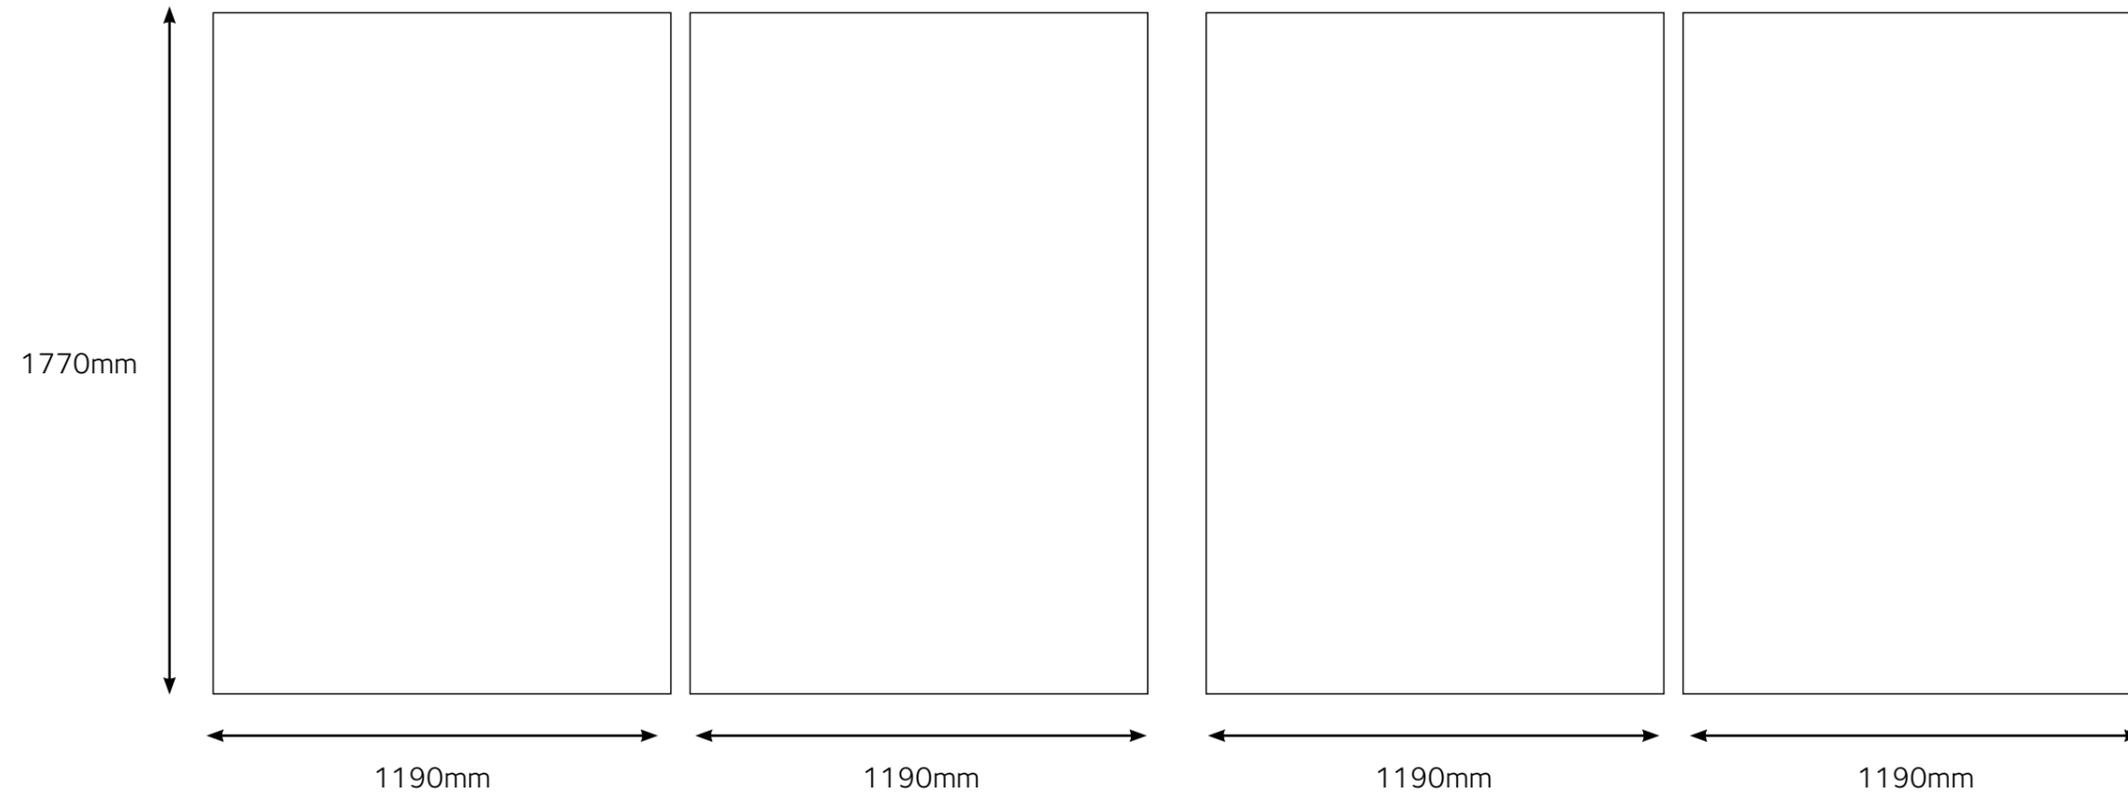

# PROPOSED DESIGN UNITS A1, A2, A3 & A4

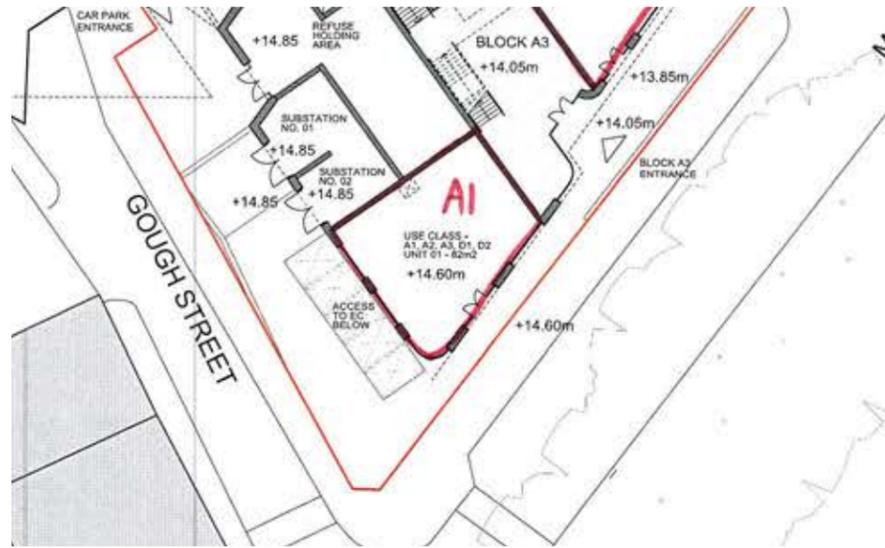

# UNIT A1

# UNIT A1 SECTIONS 1 & 2

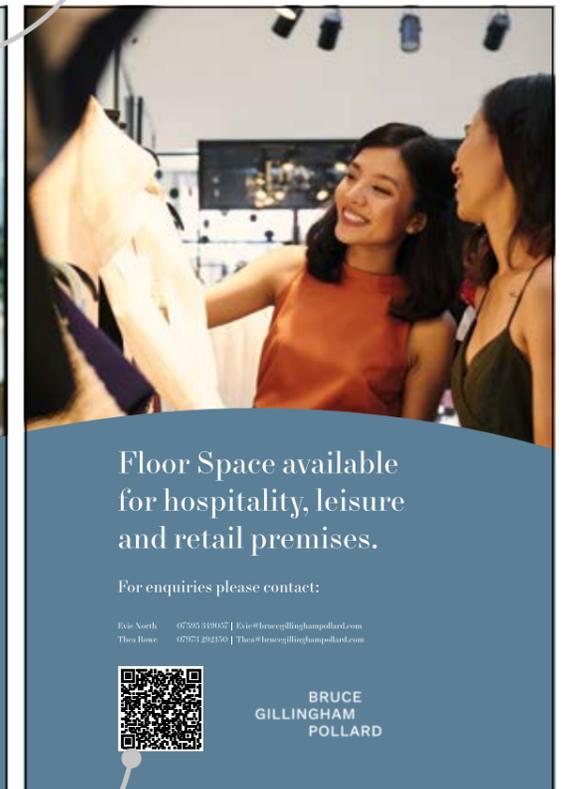

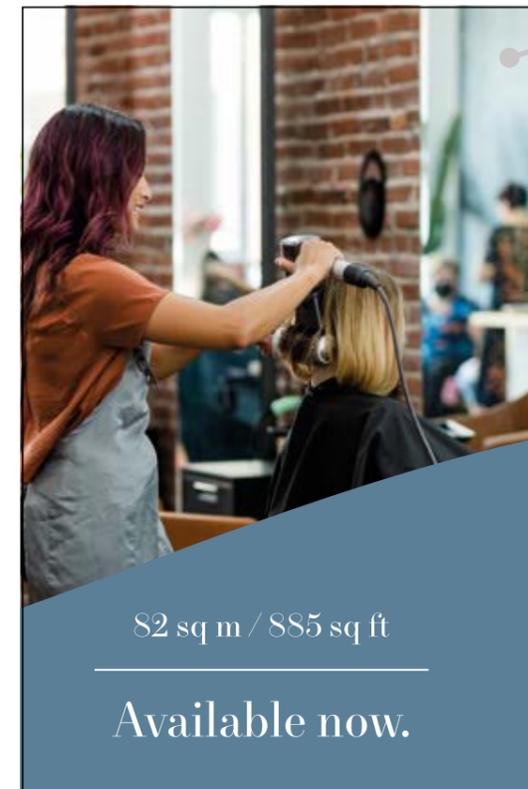

Block A1 (1&2) 50mm Mullions
