Subject: OBJECTION TO REDEVELOPMENT OF ONE MUSEUM STREET
2023/2510/P (planning application) and 2023/2653/L (Listed Building
Approval)

I object to this proposal. It is yet another assault on the beauty of London and its historic value. It is wrong for Bloomsbury and for the community who lives there and is inappropriate for the site. It is irresponsible planning and stinks of corruption from those that approve it,

yours,

F. Oakes
