To whom it may concern,
Could you please explain why it is that I have only just learned from a third party of application no. 2023/1885/P for the massive expansion into residential building of the cafeteria at 147 Highgate Road when I am directly and detrimentally affected by the proposed building? Why have you not informed me directly of the application and how much time do I have, along with my neighbours, to object to this scheme?

Yours sincerely,
Dr. Michael Douglas-Scott
