Dear Lucy

## ROYAL COLLEGE STREET

Following our recent correspondence, please take this letter as confirmation that the revised bird box locations are considered appropriate. These have been moved from the street trees at the request of the local planning authority, and will now be installed on the western elevation.

One integrated box with a 28mm hole, and another with a 32mm hole will be installed in the locations shown below.

Yours sincerely

Associate Ecologist  
For and on behalf of Greengage Environmental Ltd
