Dear Mr Zuk,

I have lived in Chalcot Crescent for over 40 years and unfortunately the extension at number 12 had already been installed when we moved here.  
We never understood how it could have got planning permission in such a charming crescent, as it is entirely out of keeping and so unsightly.

As you know, we are a very narrow street, and the plans could seriously affect our privacy, particularly on the top floor. It is most regrettable.

I know my neighbour Dr Kevin Coates has been in touch with you, and I fully endorse his response to the plans.

Alison Reed
