Dear team

Re: 2023/2510/P  
2023/2653/L

I am writing to object to the proposed plan to demolish the Travelodge tower and replace it with a much taller tower.

It will affect local businesses and residents as it will be far too tall and bulky. In addition, it will destroy the remains of a 19th century horse stables - we need to preserve our heritage for future generations not destroy it.

I hope that you will take local residents' views into consideration and amend this plan. Erecting a huge office block when existing companies are currently selling off their office spaces due to Work from Home changes to office practices seems reckless.

Kind regards

Rosie Allen
