Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Householder Application Granted

Address:
91 South End Road
London
NW3 2RJ

Proposal:
Alterations to front boundary treatment.

Drawing Nos: 7304(08)00 Rev. A; 7304(08)04 Rev. D; 7304(08)08; Planning
Justification Statement (prepared by Lathams, dated 23/02/2023).

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans: 7304(08)00 Rev. A; 7304(08)04 Rev. D; 7304(08)08; Planning Justification Statement (prepared by Lathams, dated 23/02/2023).

Reason: For the avoidance of doubt and in the interest of proper planning.

- 3 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policies D1 and D2 of the London Borough of Camden Local Plan 2017 and policies DH1 and DH2 of the Hampstead Neighbourhood Plan 2018.

Informative(s):

- 1 Reasons for granting permission.

The proposed alterations to the front boundary include the rebuilding of the existing low brick wall in materials to match existing with a header course, and the installation of new black iron railings above. The existing black wrought iron entrance gate with timber gate posts would be retained. The front boundary treatment along the street is characterised by black metal railings above low brick walls, and it is therefore considered that the proposal including the reinstatement of railings to the front boundary, would respect and preserve the design of the host building and the character and appearance of the Hampstead Conservation Area.

Due to the location and nature of the proposed development, the works would not have a detrimental impact on the amenity of any adjoining residential occupiers in terms of outlook, daylight, or privacy.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the Conservation Area, under s.72 of the Planning (Listed Buildings and Conservation Area) Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

Two objections were received from neighbouring residents to the originally proposed enlargement of the existing rear roof terrace, which has subsequently been removed from the proposals. An objection received from the Heath and Hampstead Society to the enlarged roof terrace was also withdrawn following the removal of this element from the scheme. The planning history of the site and surrounding area were taken into account when coming to this decision.

As such, the proposed development is in general accordance with policies A1, D1 and D2 of the Camden Local Plan 2017 and policies DH1 and DH2 of the Hampstead Neighbourhood Plan 2018. The proposed development also accords with policies of the London Plan 2021 and of the National Planning Policy Framework 2021.

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (tel: 020-7974 6941).

- 3 This approval does not authorise the use of the public highway. Any requirement to use the public highway, such as for hoardings, temporary road closures and suspension of parking bays, will be subject to approval of relevant licence from the Council's Streetworks Authorisations & Compliance Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No 020 7974 4444). Licences and authorisations need to be sought in advance of proposed works. Where development is subject to a Construction Management Plan (through a requirement in a S106 agreement), no licence or authorisation will be granted until the Construction Management Plan is approved by the Council.
- 4 All works should be conducted in accordance with the Camden Minimum Requirements - a copy is available on the Council's website (search for 'Camden Minimum Requirements' at www.camden.gov.uk) or contact the Council's Noise and Licensing Enforcement Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No. 020 7974 4444)

Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You must secure the approval of the Council's Noise and Licensing Enforcement Team prior to undertaking such activities outside these hours.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2021.

You can find advice about your rights of appeal at:

<https://www.gov.uk/appeal-householder-planning-decision>.

If you submit an appeal against this decision you are now eligible to use the new [submission form](#) (Before you start - Appeal a planning decision - GOV.UK).

Yours faithfully

Daniel Pope
Chief Planning Officer
