Subject: Objection to Selkirk Tower

Ref 2023/2510/P  
Ref.2023/2653/L

I am writing to object to this proposal. It is much too large, and would change the character of the area permanently. It would set a precedent for the area leading to other outside developments.

I have been a Camden resident south of the Euston road for 20+ years.

Thanks,

Jonathan Poole
