2023/2370/P	Hanpstead CAAC	08/08/2023 16:23:45	COMMNT	Assuming the routeing set by the service provider is the best achievable - open air siting preferred - HCAAC can have No Objection. We were looking for a route immediately adjacent to the rwp, but the longer branch to the necessary internal location is not favoured. Mainly the route has to offset back & forth over the fascia boxing, so the proposed location lhs of the elevation is preferred.
