Subject: Museum Street Planning Application - ref 2023/2510/P One Museum Street

Dear Sir/Madam,

As longstanding visitors to the area, we would like to register our objection to the above proposal.

The building will adversely affect the surrounding area and set an unfortunate precedent.

Demolishing buildings is contrary to the climate change policies of your Council.

It will adversely affect the area being far too bulky and tall and overwhelm the surrounding buildings

Yours faithfully,  
Sheila and Alan MacDermot
