Please choose one

Objection

Do you have any comments or consider that the proposal is harmful to or does not preserve the character and appearance of the conservation area?

Objection We assume that the proposed elevations are shown on drawing 215 P3. The divisions in the double glazed windows should be no thicker than for single glazing. The rear elevation window/door frames would be more in keeping without horizontal divisions like the ones below. David Thomas Chair BCAAC

Do you want to attach any files?

No
