2023/0495/P	vanda renton	11/08/2023 15:15:59	OBJ	<p>I wish to object to the erection of the canopy at the lower ground level This is ugly it will detract from the views from the road it does not conform to the general outline of the house It will also abut my wall, as I live at no 37 Eton Avenue and I do not wish to give permission for this structure to be fixed to my wall this canopy is modern, unlike the house which is listed and this proposal is out of character to the rest of the house and to my house which is also listed next door It can be seen easily from the street I wish to object to the construction completely I also wish to object to the opening of a new door in the main hallway of 39 which is already congested and this will add to the general lack of space in this very busy area</p>
