2023/2818/P	Mrs Phyllis Man	13/08/2023 19:37:28	OBJ	<p>I object to the proposed extension.</p> <p>The extension is too large. Its height and length will mean a significant loss of light. The slope of the road means that the height of the proposed extension at the boundary wall would be 2.8m (as viewed from no 5) rather than 2.4m since there is a 40cm height difference between the ground levels of the adjacent properties. The length of the extension also means that a significant proportion of the natural light falling on the window of the sitting room of my flat will be lost.</p> <p>I am an 83 yr old [REDACTED] with mobility issues and most of my time is spent in the sitting room of the ground floor flat. The only window of that room would face the proposed extension and the loss of light would be overwhelming.</p>
