Details of the pre-application advice received

Generally content with proposals in principle but asked for firm justification for the harm to the conservation area that the demolition will entail and that the designs are generally replicated with retained original brickwork used again as far as possible.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

(a) a member of staff

(b) an elected member

(c) related to a member of staff

(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
