No overall objection to temporary removal of TCB though the Council were keen to perhaps see it re-located in another part of the borough. However this will depend on whether the facility is to be replaced with another modern call box or whether the facility is no longer required in its current location. In the absence of a clear steer from either BT or the Council it is assumed the TCB will be restored to its current location once the bridgeworks have been completed.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
