2023/2962/P	Margaret Haines	16/08/2023 15:29:04	OBJ	I live in flat 15 Cartmel and am a leaseholder - I object to the change of use of flat 14 next door. This will cause a lack of security to my property by allowing unknown persons access to my floor and property at hours I am unaware of . It will also cause probable breakdown of the only lift in the block as it will be used to install equipment and extra usage to a piece of machinery that is very sensitive to weight and jamming doors open. I am over state pension age registered disabled and this is causing me a lot of stress. I do not want itinerant usage of a residential unit directly my neighbour.
