Drawing Nos: Cover Letter 25 July 2023 Ref: 7002, Site & Location Plans 100 Rev B,
Proposed Exterior Elevations - Sheet 1 301.1 Rev A, Exterior Signage 401 Rev A.

The Council has considered your application and decided to grant consent subject to the following condition(s):

Conditions and Reasons:

- 1 No advertisement is to be displayed without the permission of the owner of the site or any other person with an interest in the site entitled to grant permission.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 2 No advertisement shall be sited or displayed so as to
 - (a) endanger persons using any highway, railway, waterway, dock, harbour or aerodrome (civil or military);
 - (b) obscure, or hinder the ready interpretation of any traffic sign, railway signal or aid to navigation by water or air; or

- 5 Where an advertisement is required under these Regulations to be removed, the site shall be left in a condition that does not endanger the public or impair visual amenity.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 6 The signage hereby approved shall be limited in illumination to 250cd/m² and the illumination shall be static in nature.

Reason: In order to protect local amenity in accordance with policy A1 of the Camden Local Plan 2017.

Informative(s):

- 1 Reasons for granting permission:

The applicant is seeking advertisement consent for the installation and display of 1x internally illuminated projecting sign located on the façade of the existing building.

The installation of the proposed sign is considered acceptable in terms of scale, design and materials and would not appear incongruous in this setting. It would be sympathetic to the character and appearance of the host building.

A condition has been included restricting the illumination level to 250cd/m² which is appropriate in this location and would not cause harm to neighbouring amenity. The proposal is not considered to cause any harm to highways safety or residential amenity.

The site's planning history has been taken into account when coming to this decision. No objections have been received prior to making this decision.

As such, the proposal is in general accordance with policy D4 of the Camden Local

Plan 2017 and the National Planning Policy Framework 2021.

- 2 This approval does not authorise the use of the public highway. Any requirement to use the public highway, such as for hoardings, temporary road closures and suspension of parking bays, will be subject to approval of relevant licence from the Council's Streetworks Authorisations & Compliance Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No 020 7974 4444). Licences and authorisations need to be sought in advance of proposed works. Where development is subject to a Construction Management Plan (through a requirement in a S106 agreement), no licence or authorisation will be granted until the Construction Management Plan is approved by the Council.
