**Re: 78 Fairhazel Garden, Hampstead, London NW6 3SR Planning Application:  
Planning Permission for the change of windows to the front and back elevations.**

Dear Sir/ Madam,

On behalf of our client Velvista (1984) Ltd, we are applying for the permission to replace the existing front and back elevation windows frames in the same material as existing.  
To this please find enclosed the following documents in respect of the application.

- Existing and proposed elevations of the front and back.
- Location of Site
- Existing and proposed Block plans
- Window quotation
- Sash window details.

I trust that the information is complete and once it has been registered, I will endeavour to contact the relevant Officer to ascertain their views and a timescale to a decision.

Yours Sincerely,

Umar Valimahomed Architect ARB, Director
