Subject: Eileen W, Dartmouth Park Tree planning comments. 26/8/23

Dear Planners and Tree Officers,

List 749. 7/8/23

2023/3140/T

110 Chetwynd Road

I have read Indigo Survey's Arboricultural Survey and have no objection to the much-needed reduction work on this London Plane. (I also agree with their suggestion of future bi-annual inspections to maintain it).

List 750. 21/08/23. 31 Dartmouth Park Avenue

I suggest crown reduction and regular maintenance, including ivy removal from the lower trunk, to this healthy mature Birch tree.

Personally, I object to its felling.

Thank you,

Eileen Willmott
