Dear Patrick,

Application for the erection of a six-storey combined Construction Skills Centre (Use Class F1) and HS2 Site Accommodation (Use Class (E) as temporary meanwhile uses to facilitate the construction of HS2 Euston Station (your ref: 2021/3796/P)

I am writing on behalf of High Speed Two (HS2) Limited in relation to the approved planning application for a Construction Skills Centre and Site Accommodation at the former Maria Fidelis School site.

Please find appended to this letter information required to discharge condition 4 (c) of the planning permission, which states:

Detailed drawings, information or samples of materials as appropriate, in respect of the following, shall be submitted to and approved in writing by the Council before the relevant part of the work is begun...

c) Details of CCTV, lighting of entrance areas and control of access points

The relevant part of the works shall then be carried in accordance with the approved details.

Parts (a) and (b) of condition 4 were discharged by LBC on 25 July 2022. For ease of reference, the information required by part (c) is provided separately, reflecting the two separate uses of the building.

The planning application fee of £116 has been paid via the Planning Portal. Please do not hesitate to contact me if you have any queries, and I look forward to receiving written confirmation that the condition has been discharged.

HS2-HS2-CO-TEM-000-000067 P01

Yours sincerely

A handwritten signature in blue ink, appearing to be 'RW' or 'Ryan Ward'.
