

A cross-sectional diagram of a raised garden bed. The layers are numbered 1 through 6 from top to bottom: 1. Topsoil, 2. Compost, 3. Straw, 4. Cardboard, 5. Newspaper, 6. Mulch. The diagram shows the layers stacked on a wooden frame.

- ## 1 Sedum Roof Detail

This architectural section drawing illustrates a building with a complex roof structure. The main roof is a steeply pitched gable, labeled 'Sloped slate tiled roof'. Below this, a flat roof section is labeled 'single ply covered flat roof'. The drawing shows the internal structural elements, including the roof trusses, rafters, and the supporting walls. The building has a symmetrical design with a central entrance and side wings. The drawing is a technical line drawing, showing the structural details of the roof and walls.

2 Proposed Roof Section
