Dear Sir/Madam

## DECISION

Town and Country Planning Act 1990

Drawing Nos: 538/c/00 rev A, 538/C/50

The Council has considered your application and decided to grant consent subject to the following condition(s):

Conditions and Reasons:

- 1 No advertisement is to be displayed without the permission of the owner of the site or any other person with an interest in the site entitled to grant permission.

Reason: As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 2 No advertisement shall be sited or displayed so as to:

(a) endanger persons using any highway, railway, waterway, dock, harbour or

aerodrome (civil or military);

(b) obscure, or hinder the ready interpretation of any traffic sign, railway signal or aid to navigation by water or air; or

(c) hinder the operation of any device used for the purpose of security or surveillance or for measuring the speed of any vehicle

Reason: As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 3 Any advertisement displayed and any site used for the display of advertisements, shall be maintained in a condition that does not impair the visual amenity of the site.

Reason: As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 4 Any structure or hoarding erected or used principally for the purpose of displaying advertisements shall be maintained in a safe condition.

Reason: As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 5 Where an advertisement is required under these Regulations to be removed, the site shall be left in a condition that does not endanger the public or impair visual amenity.

Reason: As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

#### Informative(s):

- 1 Reasons for granting permission:

The proposed signage is considered to be acceptable given the size, design, materials, location, methods of illumination and luminance levels. The signs are modest in size and design and would preserve the character of the streetscene, wider commercial and conservation areas, and are thus considered acceptable.

The signs would not be harmful to either pedestrian or vehicular safety, nor have any adverse impact on neighbouring amenity given their scale and low level of illumination (400 cd/m<sup>2</sup>).

The site's planning and appeals history has been taken into account when coming to this decision.

As such, the proposal is in general accordance with Policy D4 of the Camden Local Plan 2017.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2021.
