

[illegible]

Technical drawing illustrating the installation of a new threshold and rubber seal. The drawing shows a cross-section of the existing masonry structure and the new threshold assembly. Key components and dimensions are labeled:

- Existing masonry structure
- New 30mm rubber seal
- New 50mm steel signage with 10mm bronze finish to match new Affix Meas doors
- Dimensions: 30, 5, 10
- New Render applied to existing concrete after removal of existing render

[illegible]

Technical drawing of a wooden bench. The drawing shows a side view of the bench with a wooden frame and a seat. The seat is made of horizontal wooden slats. The backrest is also made of horizontal wooden slats. The dimensions are indicated by blue lines and numbers: the total width is 80, the total height is 80, and the seat height is 30. The word 'UPHOL' is written in a serif font on the right side of the drawing.
