Dear Planners

List 752 28/8/23

2023/3464/P

Highgate Newtown Community Facility Management Plan page 2.

Just to confirm that the tree in the HHNCC courtyard is to be *Liriodendron tulipifera*. The Plane tree to the south of the courtyard had to be removed to facilitate the works. It was agreed that a Dutch Elm resistant hybrid Elm would be planted to replace it.

Please confirm that this is the street tree *Ulmus lutece* planted opposite the site in Croftdown Road.

Thank you,  
Eileen Willmott
