

Coal House, Branch Hill 2023/3060/P

Good morning Darren,

I hope you are well.

I live at The Chestnuts, Branch Hill, NW3 7NA

I've noticed the notice sign regarding the additional extension.

Can you please let me know two things:

What happens with parking for the new residents (not to the extension) but to the whole "complex"? My understanding is that there is no parking 'on site' - I presume parking permits for those residents will not be given as it is already really difficult to park around this area?

When are works due to start and finish?

Thank you  
Jason
