2023/2895/P	The Heath & Hampstead Society Society	29/08/2023 15:20:11	OBJ	<p>Objection rom: THE HEATH & HAMPSTEAD SOCIETY.</p> <p>This application to use an existing flat roof as a terrace is totally objectionable.</p> <p>Firstly the property has a magnificent garden - there is no need for a first floor terrace.</p> <p>More important, though is the noise and overlooking that would seriously reduce the quality of the adjacent garden. The proposed terrace is large could be used for outdoor dining and for large noise generating parties - all very close to the boundary!!</p> <p>Please refuse.</p>
