11 Primrose Hill Studios, NW1 8TR 2023/2995/L

We note the external and internal elements of the Listed Buildings of which this Studio is a part and of the significance of these elements in terms of both the individual Studios and the group.

We acknowledge the retention and preservation of elements of the original and surviving building. We note with regret the reinstatement of the glazed screen to the mezzanine but also acknowledge that it is reversible without damage to the original fabric. We also note the retention of the original floor boards albeit under new boards and finishes.

We have no objection to the application.
