2023/3135/P	Angela Warden	07/09/2023 07:48:44	OBJ	<p>This is an application from Hampstead Fine Arts College. I object to the change of use because this is primarily a local shopping and village area. Students from the college hang around the streets blocking pavements, overflow into local cafes in their free time and are not mindful of locals. Why does the school not have space on their premises both in and outside for students? Why does the college not have one site for their school? I am not anti students or the school. This is not the right setting for a school and am surprised that OFSTED have not been more diligent in their inspections.</p> <p>The Council has already set precedent by not allowing an Academy to open in the old Hampstead police station. This should equally apply to this application.</p>
