RE: Release of conditions 6, Planning application ref 2019/2121/P

Location: 3 Goodge Place W1T 4SB

I write to confirm that as part of the proposed works to 3 Goodge Place, there will be **no** piling required for the foundation works. The proposed foundations are traditional trench foundations. I trust that this answers your query.

If you need any further assistance please let me know.

Yours sincerely,

Riyaz Versi
