Dear Miriam Baptist

I am the owner [REDACTED] I am writing this to you in support of the 2023/3310/P proposed plan to further improve Endell Street. Both Ian and Will are already great supporters of the street with their existing venues that make Endell street a greater area to have their existing two venues already and I am positive their new proposed plans will only advance the area. We need more people and businesses like theirs for the area to continue to thrive.

All the best
Jack Beaman
