

183 Haverstock Hill, are planning to put tables and chairs onto the pavement right on a very busy corner of Glenloch Road.

There will be blockage to wheelchair users, and distress caused to bereaved people accessing the funeral parlor next to this site. As they drink their coffee, people will be watching coffins of loved ones being loaded onto funeral cars.

This is not acceptable to people living locally.

Please appeal this application if it has gone through, otherwise please refuse it.

Thank you

Olivia Lyons

6a Glenloch Road
