As a longtime resident of Primrose Hill, I wholeheartedly support efforts that enable families to continue thriving within our local community.</p> <p>I feel that to keep Primrose Hill flourishing we need to create more spaces that cater for growing families so that our community is accommodating for generations to come.</p> <p>In addition to my support for the purpose behind the application, I must express my admiration for the proposed design. I feel it's an improvement on the current mews and that can only be a good thing for our local area.</p>
