 Fire Statements - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. View government planning guidance on fire statements or access the fire statement template and guidance. Permission In Principle - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below. Public Service Infrastructure - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or view government planning guidance on determination periods.
Description
Please describe details of the proposed development or works including details of proposals to alter, extend or demolish the listed building(s)
The proposal is the restore and refurbish the building to be used as offices. The works will be both internal and external.
Externally, the main, historically important, street façade will be sensitively restored and repaired. This includes a restoration of the original façade aesthetic, with the reinstatement of historically accurate sash windows, the upgrading of rainwater goods, and general conservative repair including re-pointing. The roof will be repaired and upgraded, with the upgrading of rainwater goods detailing where possible.
Proposed internal works include the removal of historically inaccurate additions, the repair and restoration of original features, and the re-

ordering of some spaces to enhance the functioning of the building as offices. Where possible, original features will be reinstated.

rebuilt as an extension with a staircase that improves the internal circulation and fire safety within the building.

The Mechanical services in the building will be upgraded in line with current requirements.

To the rear of the building, an historically inaccurate extension, which adds nothing to the reading of the building, will be demolished, and

Authority Employee/Member With respect to the Authority, is the applicant and/or agent one of the following: (a) a member of staff (b) an elected member (c) related to a member of staff (d) related to an elected member
It is an important principle of decision-making that the process is open and transparent. For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority. Do any of the above statements apply? ○ Yes ○ No
