Architectural drawings of the proposed ground floor of the building. The top drawing is an elevation showing a central entrance with four glass doors and two side windows with decorative grilles. The middle drawing is a plan view of the entrance area, showing a 2270mm wide opening with a door and a window, and a 2020mm high section with a door and a window. The bottom drawing is a plan view of the entrance area, showing a 2100mm high section with a door and a window, and a 2270mm wide section with a door and a window. The drawings include dimensions and labels for 'New windows/doors', 'Existing balustrade/railing reinstated', and 'New doors'.
