Email confirming an enforcement notice has not been issued at this time. It was noted that extensive works that have been undertaken at the site without the appropriate Listed Building Consent. It appears that some of these alterations are now concealed behind the plasterwork. Furthermore, I wish to bring to your attention that the entire plan form of the basement has undergone changes.
Site meeting discussed proposed works undertaken was deemed to have no detrimantal impact on the significance of the listed building, and that a formal application would be required.
