

## Job Profile – Safeguarding Partnership Development Officer

**Job Title: Safeguarding Partnership Development Officer**

**Job Grade: Level 4, Zone 2**

**Salary Range: £45,042 - £51,870**

### **About the role:**

This is an important role that manages the development, planning and delivery of a range of complex safeguarding priorities for Camden children and young people. The role requires leading the successful delivery of a number of workstreams within a wide-ranging business plan. To achieve this, the postholder will develop and maintain relationships across the Camden Children's Services and its partners, including practitioners, managers, senior leaders and elected members, in order to make improvements on safeguarding practice, performance and joint working.

This role ensures that multi-agency safeguarding systems and processes are working, and any barriers are carefully considered and resolved. Understanding of children's services, safeguarding partnership and relevant organisations is key as the role involves analysis of issues, scoping potential areas of development, and monitoring progress to ensure recommendations are delivered to agreed timescales to achieve desired outcomes. You will be expected to anticipate the planning and preparation necessary ahead of the range of specified and high-level meetings. This involves preparation of presentations including qualitative and quantitative data, presentations for meetings, co-ordinate safeguarding learning events and conferences, develop reports and ensure effective communication across safeguarding partners. This role provides enhanced and high-level support to meet the demands of managing serious safeguarding incidents, local child safeguarding practice reviews and learning from multi-agency audits ensuring that action plans are developed and learning implemented into frontline practice.

### **Example outcomes or objectives that this role will deliver:**

- A well-functioning CSCP which monitors and supports children's agencies to work effectively to safeguard children.
- Effective support is provided to Statutory Safeguarding Partners and Independent Scrutineer which enables the CSCP Business Plan to be effectively implemented.
- CSCP policies and procedures are comprehensive and updated as required which reflects both local and national learning.
- Serious safeguarding incidents and local child safeguarding practice are carried out effectively meeting statutory timescales.
- The CSCP Lay members and Young Advisors report that they are well supported and enabled to carry out their roles.
- Work pro-actively and co-operatively to ensure that timely and accurate information about national and local learning is shared with safeguarding partners.
- Microsoft Office 365 including Word, Excel, PowerPoint and other ICT systems to produce reports, spreadsheets, and other documents as required.
- Development of an up-to-date varied multi-agency training programme which is effective and reflects local and national initiatives meeting the needs of the CSCP's Training Needs Analysis.
- Coordinate and manage the CSCP multi-agency safeguarding training offer, including reporting on quality and impact of training.

### **About you:**

- Excellent communication skills both verbal and written.
- Able to manage internal and external relationships with senior partners.

- Ability to work flexibly, balancing competing priorities and meeting deadlines whilst understanding the needs, timescales, and deadlines of others.
- Advanced ICT skills using a range of Office IT systems to meet the demands of the service.
- Understanding of performance management, interpreting and analysing information and presenting this information to a varied audience.
- Knowledge of children's services partnerships and relevant organisations in and out of Camden and ability to liaise with them successfully.
- Ability and confidence to ensure delivery of key priorities and highlight any barriers to achieving this.
- Ability to use initiative to make accurate and considered judgements.
- Ability to monitor spending on projects and training and awareness of Camden's procurement process.
- Experience of having worked in Children's Services setting would be helpful.
- Understanding of statutory framework for safeguarding children and awareness of confidentiality and information sharing.

**Experience required:**

- Experience of successful Project Management (both leading and supporting others) and key action performance progress tracking.
- Awareness of key guidance and legislation relating to children and young people's Social Care organisations.
- Experience of developing and/or analysing performance datasets/ measures.
- Experience of co-ordinating high-level events and preparing supporting documentation
- Experience of liaising with a range of colleagues from different organisations and an understanding of partnerships.
- Experience of influencing behaviour of staff and partners and moving forward positively with them.
- Proficient in Office 365 Word, PowerPoint, Excel, MS Forms etc.
