

The diagram is a detailed architectural floor plan of a building, likely a school or institutional structure, showing three distinct levels: N042 (bottom), N043 (middle), and N044 (top). The plan is oriented with a north arrow pointing towards the top right. A prominent red dashed line runs horizontally across the middle of the plan, indicating a section cut. The building's layout includes a central corridor system. Room N043 is the largest, occupying the central portion of the middle level. Room N042 is located below N043, and Room N044 is located above it. The plan also shows various smaller rooms, including a large hall (N043) and two smaller rooms (N042 and N044). The drawing is a technical architectural plan, showing walls, doors, and furniture. The red dashed line is a key feature, indicating a section cut through the building. The plan is oriented with a north arrow pointing towards the top right.
