Subject: Tree pruning - application ref 2023/3959 6 Clorane Gardens

Thank you for your letter of 26th September advising me of an application to prune a tree at my property, of which I am the owner

I did NOT make the application and for the avoidance of doubt do not want any pruning of the tree on our side of the boundary. The application mentions the "overhang to No. 8 by 2m" from which I surmise that the application was made by the resident at No. 8. He is of course at liberty to prune the overhang, should your permission be forthcoming but by copy of this e mail I wish to make it clear that the work must not include any pruning of branches on our side and that any attempt to gain access to our side will be considered, as the law stipulates, as trespassing,
