Drawing:  
.  
Proposed main entrance gates elevation for  
flats 31 to 63

Drawing No: 403 / 16	Scale: 1/10 (A3)	Date: Aug 2023
-------------------------	---------------------	-------------------

Revisions:

Preliminary

Illustration:

This drawing is for the purposes of planning approval and is not intended to represent a full & detailed survey of the surrounding area. All interested parties should take there own measurements from any one particular location as necessary. Entrance staircase for 1 to 30 particularly eccentric. Gate fabricator to produce own detailed setting out drawings, including for passage restriction of 100mm sphere between any of the new construction openings & any element of new gate construction to swing within the property's own air space.

This drawing is part of a package and is to be read in conjunction with the latest revision of drawing Nos: 403 - 01 / 02 / 11 / 12 / 13 / 14 / 15 / 16
