Dear Sir/Madam

## **DECISION**

Town and Country Planning Act 1990 (as amended)

### **Full Planning Permission Granted**

Address:

**Flat A**  
**88 Torriano Avenue**  
**London**  
**NW5 2SE**

Proposal:

Replacement of 2x ground floor front windows

Drawing Nos: Site location plan; SC/23/90-201; SC/23/90-301, SC/23/90-302 and planning statement.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans:

Site location plan; SC/23/90-201; SC/23/90-301 and SC/23/90-302.

Reason: For the avoidance of doubt and in the interest of proper planning.

- 3 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy D1 of the London Borough of Camden Local Plan 2017 and policy D3 of The Kentish Town Neighbourhood Plan 2016.

Informative(s):

- 1 Reasons for granting permission.

The proposal will replace two front ground floor sash single glazed windows with double glazed sash windows. The new windows would have the same size, siting, opening method and glazing pattern. There would be no perceptible difference between the existing and proposed fenestration. It is considered that the works would preserve the character and appearance of the host property and the wider area.

Given the minor nature of the works and their siting it would not result in harm to the neighbouring properties amenity in terms of loss of light, outlook or a sense of enclosure.

No objections were received during the course of this application. The site history has also been considered. Kentish Town Neighbourhood forum raised no objection.

As such, the proposal is in general accordance with policies A1 and D1 of the Camden Local Plan 2017 and policy D3 of The Kentish Town Neighbourhood Plan 2016. The proposed development also accords with the policies of the London Plan 2021 and National Planning Policy Framework 2023.

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (tel: 020-7974 6941).
- 3 This approval does not authorise the use of the public highway. Any requirement to use the public highway, such as for hoardings, temporary road closures and suspension of parking bays, will be subject to approval of relevant licence from the Council's Streetworks Authorisations & Compliance Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No 020 7974 4444). Licences and authorisations need to be sought in advance of

proposed works. Where development is subject to a Construction Management Plan (through a requirement in a S106 agreement), no licence or authorisation will be granted until the Construction Management Plan is approved by the Council.

- 4 All works should be conducted in accordance with the Camden Minimum Requirements - a copy is available on the Council's website (search for 'Camden Minimum Requirements' at [www.camden.gov.uk](http://www.camden.gov.uk)) or contact the Council's Noise and Licensing Enforcement Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No. 020 7974 4444)
