2023/3837/T	Vincent Ramaekers	07/10/2023 13:41:56	SUPPRT	<p>Dear Camden council members,</p> <p>I hope this letter finds you well. I am writing to express my full support for my neighbour who has requested the felling of a very large lime tree located at 79 Parkhill Road. I understand that the Camden Tree Section has identified this tree as needing removal due to its deteriorating health.</p> <p>The tree in question is undoubtedly a prominent and majestic presence in our neighbourhood, contributing to the charm and beauty of our street. However, it has come to my attention that this tree's condition has worsened over time, making it a potential hazard. As a responsible member of this community, I firmly believe that safety must be our top priority.</p> <p>I share the concerns of my neighbour and fear for the safety of our children, residents, and property. The size of the tree makes it particularly risky during adverse weather conditions, and it is crucial that action is taken to mitigate potential dangers.</p> <p>While it is regrettable to lose such a magnificent tree, I sincerely hope that when it is felled, it will be replaced with a more appropriately sized tree or suitable greenery. This way, we can ensure the continued enhancement of our street's aesthetics while prioritising the safety and well-being of our community.</p> <p>In conclusion, I urge the Camden Council to consider this request seriously and prioritise the removal of this large and potentially dangerous tree. Let us work together to maintain the charm of our street while safeguarding the lives and property of its residents.</p> <p>Thank you for your attention to this matter, and I trust that you will make the right decision for our community's well-being.</p> <p>Sincerely, VR</p>
