2023/3846/P	Andrew Holmes	03/10/2023 10:33:23	NOBJ	As a resident of Redington Road for more than 70 years I very much welcome this proposal to mark the course of the 'lost' river and tributaries. I applaud the initiative in every way and look forward to 'walking the course' in 2024.
2023/3846/P	Harlan Zimmerman	03/10/2023 07:01:22	SUPPRT	This is a wonderful initiative that will add to the character and interest of our local area. Well done to the Redington Froggnal Association for the research and design. I strongly support this application.
