Dear Sir/ Madam

Re: Approval of details pursuant to Condition 8 of planning permission ref: 2022/4408/P at Hall School, 23 Crossfield Road, NW3 4NU

On behalf of our client, The Hall School, we hereby submit details pursuant to the full discharge of Condition 8 (Photovoltaic Cells) of the above planning permission.

Condition 8 reads:

Prior to first occupation of the buildings, detailed plans showing the location and extent of photovoltaic cells to be installed on the building shall have been submitted to and approved by the Local Planning Authority in writing. The measures shall include the installation of a meter to monitor the energy output from the approved renewable energy systems. The cells shall be installed in full accordance with the details approved by the Local Planning Authority and permanently retained and maintained thereafter.

To support the full discharge of Condition 8, a detailed Photovoltaic Cells Plan and data sheet have been prepared and submitted.

The information to support the discharge of the above condition has been submitted and the requisite application fee of £180 has been paid via the Planning Portal under reference: PP-12536896.

We trust that the information submitted is sufficient to satisfy the discharge of the condition, however, please do not hesitate to contact me if you have any queries or require any further information.

Yours sincerely,

Zoe Curran
