Subject: Application 2023/3134 and v2023.3965L 1 Rothwell Street NW18YH

19th October, 2023

Felicity England-Crowther, Elizabeth Ann Charlton and Robin Charlton as freeholders of 114 Regents Park Road NW18UG wish to object to the above planning applications on the grounds so well described by Dame Elizabeth Forgan of 112 Regents Park Road in her email of the 14th October. They are inappropriate applications for the conservation area.

In particular we would like to object to the works on the party wall which forms part of our landscaped garden which was created in 2002 and has been carefully nurtured ever since so that it now has mature climbing plants bordering mature shrubs and stone paving.
