Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Full Planning Permission Granted

Address:

**45 Camden Park Road
London
NW1 9AY**

Proposal:

Replacement of single-glazed timber framed windows and timber doors with double-glazed timber windows and timber doors on front, flank and rear elevations.

Drawing Nos: Site location plan; (10675-PR-CPR45-ZZ-DR-A-)PL201 rev P1, PL202 rev P1, PL301 rev P1, PL401 rev P1, PL402 rev P1; Unnumbered detailed proposed drawings (titled 'Heritage / weights / integral glazing bars /14mm heritage glass' & '24mm glazing box sash with integral glazing bars and weights'); Design & Access Statement from Potter Raper Ltd. (rev P1) dated August 2023.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans: Site location plan; (10675-PR-CPR45-ZZ-DR-A-)PL201 rev P1, PL202 rev P1, PL301 rev P1, PL401 rev P1, PL402 rev P1; Unnumbered detailed proposed drawings (titled 'Heritage / weights / integral glazing bars /14mm heritage glass' & '24mm glazing box sash with integral glazing bars and weights'); Design & Access Statement from Potter Raper Ltd. (rev P1) dated August 2023.

Reason: For the avoidance of doubt and in the interest of proper planning.

- 3 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policies D1 and D2 of the London Borough of Camden Local Plan 2017.

Informative(s):

- 1 Reasons for granting planning permission:

The proposed replacement windows and doors would match the existing timber windows and doors as closely as possible in terms of their materials, colour, design, opening methods and proportions.

There would be some degree of increased thickness to window frames and glazing bars in order to accommodate the double glazing panes; however, in this instance, the use of suitably designed heritage units are considered to involve appropriate and sympathetic changes which would preserve the character and appearance of the host building and wider Camden Square Conservation Area.

In sustainability terms, double glazed units are noted as having the potential to reduce energy costs, provide more thermal efficiency and insulation, offset the need for powered heating and so help reduce carbon emissions, and allow for passive flow of ventilation (through trickle vents).

There are no amenity concerns as the proposal involves the replacement of existing windows and doors only.

The site's planning and appeals history has been taken into account when coming to this decision. No objections have been received following statutory consultation.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the Camden Square Conservation Area, under s.72 of the Planning (Listed Buildings and Conservation Area) Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposal is in general accordance with policies A1, D1, D2 and

CC1 of the Camden Local Plan 2017, the London Plan 2021 and the National Planning Policy Framework 2021.

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. No 020 7974 4444). Licences and authorisations need to be sought in advance of proposed works. Where development is subject to a Construction Management Plan (through a requirement in a S106 agreement), no licence or authorisation will be granted until the Construction Management Plan is approved by the Council.
- 4 All works should be conducted in accordance with the Camden Minimum Requirements - a copy is available on the Council's website (search for 'Camden Minimum Requirements' at www.camden.gov.uk) or contact the Council's Noise and Licensing Enforcement Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel.
