We've engaged with Gary Bakall about this application on several occasions, the most recent date is listed above but engagement on this issue started in April 2023 and has continued since. Gary, along with other council, police and community stakeholders, has been supportive of our intent and we have had several conversations and email exchanges about the intent to relocate the entrance. That engagement has included other stakeholders like: Conservation officers who Gary engaged with directly on our behalf on 7 June 2023 Claudio da Silva Pinheiro from Camden's Community Safety team James Watson, Community Presence Manager for Camden Councillor Pat Callaghan Aran Johnston from the Met Police's London Safety Centre Chloe Spong, Kings Cross Neighbourhood Policing Team

It is an important principle of decision-making that the process is open and transparent.				
For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
