2023/4151/T	Juan-Ignacio Gil-Gomez	24/10/2023 16:39:45	OBJ	"Intended works to trees" mean the unnecessary killing of two trees. As a neighbour who values the green spaces in our are, I'm totally against it, and it should be avoided. Any works should respect all the existing trees.
2023/4151/T	Marilyn Gould	24/10/2023 17:04:21	PETITNOBJ E	<p>I live just in front of these trees, I see them all the time. I know them. I like them and cherish them. I'm grateful to them. They matter. They are important. In fact they are vital. They are trees. Beloved ones.</p> <p>Please consider carefully the feelings of their neighbors (we are the neighbors of those magnificent beings, supporters of life, providers of the beauty and poetry in our lives and the lives of other earthlings) before committing this crime, to fell those trees, them, for no reason (if they were sick that would be different, but they are stronger than you and me).</p> <p>Thank you for taking the time to read this very serious statement. But know that a reflection of objection doesn't speak as clearly and loudly as my all knowing heart does right here now, in the (Belsize) Park.</p>
