Dear Sir/Madam

DECISION

Town and Country Planning Act 1990

Advertisement Consent Granted

Address:

108 Robert Street
London
NW1 3QP

Proposal:

Display of non-illuminated signage to ATM.

Drawing Nos: Site Location Plan BW1-00994659, E024152, NW0014, NW0305 A.

The Council has considered your application and decided to grant consent subject to the following condition(s):

Conditions and Reasons:

- 1 No advertisement is to be displayed without the permission of the owner of the site or any other person with an interest in the site entitled to grant permission.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 2 No advertisement shall be sited or displayed so as to
 - (a) endanger persons using any highway, railway, waterway, dock, harbour or aerodrome (civil or military);
 - (b) obscure, or hinder the ready interpretation of any traffic sign, railway signal or aid to navigation by water or air; or

(c) hinder the operation of any device used for the purpose of security or surveillance or for measuring the speed of any vehicle

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 3 Any advertisement displayed and any site used for the display of advertisements, shall be maintained in a condition that does not impair the visual amenity of the site.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 4 Any structure or hoarding erected or used principally for the purpose of displaying advertisements shall be maintained in a safe condition.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 5 Where an advertisement is required under these Regulations to be removed, the site shall be left in a condition that does not endanger the public or impair visual amenity.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

Informative(s):

- 1 Reasons for granting consent:

Advertisement consent is sought for the display of non-illuminated shroud signs above and around the automated teller machine (ATM).

The proposed signage is considered to be acceptable given its siting, size, design, materials, and lack of illumination is welcomed. The proposed signage would therefore preserve the street scene and wider character of the commercial area, and is acceptable.

It is not considered that the proposed signage would cause undue harm to amenity and neither is it considered that the proposed advertisements would cause harm to public safety, including vehicular traffic and pedestrian traffic.

No objections have been raised in relation to the works. The application site's planning history and relevant appeal decisions were taken into account when coming to this decision.

As such, the proposal is in general accordance with Policy D4 of the Camden Local Plan 2017, the London Plan 2021 and the National Planning Policy Framework 2023.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2021.
