

Premium Solo Vertical Bike Rack Information Sheet

Premium Solo Vertical Bike Rack

Our Premium Solo Vertical Bike Rack is a high quality and sturdy cycle rack with a rear wheel guide that's fabricated from 80mm SHS vertical supports.

Made from galvanised steel and powder coated to the colour of your choice, this rack enables users to secure both the wheel and the frame to offer high security storage.

The stand is ideal for internal stores and has been specifically designed to offer convenient staggered or back-to-back bike storage, enabling you to make the most of your available space.

Specification

- Galvanised steel
- Premium design
- Variety of powder coating colours available
- Wheel and frame securing options
- Made in Britain
- Nationwide installation available
- 10-year manufacturing defects warranty
