2023/3311/P	Didier Ryan	29/10/2023 08:28:59	SUPPRT	The Lamble Street proposal, in the same way as the Barrington Court proposal, is informed by the history and character of the area and the material palette has been drawn from influences in the vicinity. The contemporary design is sensitive to the existing context and works well with the nearby Barrington Court proposal. The two schemes complement each other and would together enhance the street scene
